Product Description

HCPC K007

The FreeLander™ Heavy Duty wheelchair is designed for the individual needing a wider seat width and the strength and durability of dual reinforced cross braces. The FreeLander™ Heavy Duty wheelchair comes with standard features, including anti-tippers, padded black nylon upholstery, non-tearing armpads, and adjustable-height ¾-length removable armrests. Your choice of standard swing-away or elevating legrests that are compatible with other FreeLander™ wheelchairs. Additional full-length armrests available.
