Product Description

HCPC K0004

The most popular FreeLander™ wheelchair has even more features than before! The FreeLander™ Standard deluxe wheelchair now has improved wheelchair locks to extend life and stability, a 5-position adjustable height back instead of 3 for accommodating taller residents and various positioning needs, new quick-release wheels, a gentle ½-inch tilt from front of seat to back to help prevent falls and provide positioning, and an improved locking mechanism on swing-back armrests. As always, this lightweight wheelchair also includes anti-tippers, swing-away leg rests, adjustable height armrests, and non-tearing arm pads. With so much flexibility, this chair provides the ability to correctly fit the user. Comes with your choice of standard swing-away or elevating legrests that are compatible with other FreeLander™ wheelchairs. Additional full-length armrests available.
