

Contour

Wheelchair Cushion

- ☞ Up to stage II wound
- ☞ Pressure distribution and mild positioning
- ☞ Moisture-resistant, 4-way stretch cover included

Product Description

HCPC E2603

The Journey™ Contour cushion is topped with Tru-Relief™ visco-elastic memory foam. It has a mild abductor for proper leg placement and a slight wedge to provide proper positioning. The slight contour provided by this cushion helps position around the core to assist with sacral sitting. This cushion works well for an individual who self-transfers and is mobile and active. Includes a 4-way stretch, incontinent-resistant cover with non-skid bottom. Extra covers available.
