Product Description

The Liberty™ Safety Mat is designed to offer protection for individuals in case of a fall out of bed or for use in rehab. The high-resiliency foam prevents pain and bruising. The Safety Mat is lightweight, equipped with handles, and has a tri-fold design for easy transport and storage. Cover is a durable, tear-resistant, machine-washable nylon with non-skid bottom. The Safety Mat comes with 3 beveled edges, which reduces tripping.
